EDUCATION COORDINATING BOARD

INTRODUCTION

Indian Education Academy (IEA), established in the year 1994, is a premier virtual open education organization registered by Government of NCT of Delhi under Central Government Act XVI of 1908. IEA has a rich history of over 20 years in the field of open education providing autonomous educational programmes.

IEA has made a difference, responding with imagination and sensitivity to the changing needs by preparing students for the opportunities and challenges ahead. Committed to excellence, IEA makes all its programmes relevant to the changing needs of students, the professional communities it serves and society. It achieves this by anticipating those needs and taking measures to meet them.

Indian Education Academy has been endorsed as a centre of excellence in providing quality education through distance by reputed organizations. IEA has grown tremendously attracting students from all states of India and also from abroad. Today, IEA students are employed in reputed organizations both in India and abroad.

IEA OBJECTIVES

- to provide educational opportunities through rich and varied curricula that encourage students to learn deeply and broadly in response to their needs and interests;
- to motivate students of varying backgrounds, interests, and abilities to fulfill the special potential in each of them;
- to guide students in the practical application of knowledge in preparation for the workplace;
- to promote inquisitiveness, openness to change and commitment to life long learning;
- to provide a challenging and caring institutional environment which encourages and supports students as they recognize and develop their unique potential.

IEA DISTANCE EDUCATION

In this modern era, Open and Distance Learning has reconfigured the way a student learns. Open and Distance Learning has brought the education to the doorstep of the learner and opened paths of progression to all. Open and Distance Learning has become the preferred mode of education of an

individual. With an objective to provide 'Education for All', IEA strives to offer education programmes through open and distance learning which offers convenience, flexibility and affordability making the lifelong learning process possible. Open and Distance Learning offers innumerable benefits like:

- Suitable for anyone and everyone;
- Provides flexible learning options;
- No constraint of time and place;
- No age constraint for pursuing education;
- Improving one's career prospects immensely.

TEACHER EDUCATION PROGRAMMES

IEA offers professional teacher education programmes designed to prepare students for careers in public/convent schools, vocational educational institutions, non-governmental organizations and agencies. The programmes embody the highest academic and professional standards for the intellectual, personal and social development of each student in the changing world. It seeks to inculcate the values of service, behaviour and the improvement of one's self and one's profession.

HIGHLIGHTS OF PROGRAMME

- Job opportunities in public/convent schools, vocational educational institutions, industrial training centres, non-governmental organizations and agencies in India and abroad.
- Essential to fulfill the desirable qualifications for teacher recruitment at various levels.
- Make you eligible to apply for the position of Teacher in Nursery Schools/Preschools, Primary Schools, High Schools, Senior Secondary Schools recognized by CBSE, ISCE and State Education Boards/Councils or as Instructors in vocational education institutions, teacher training centres etc.
- Equip you with necessary skills so that you can open and run your own ventures successfully. Many IEA students are running their own educational institutions with success.
- Endorsed by recognized schools, vocational education institutions across the country with Heads of Institutions recommending the programmes for training untrained teachers.
- Past students employed in reputed schools, vocational education institutions, business organizations in India and abroad.
- Conducted as per guidelines of National Policy on Education 1986, Government of India on teacher education.
