HEALTHY LIVING BEGINS WITH CLEANHOME
The Hero Electric Mop is designed to be the one solution for all kinds of floor cleaning. Engineered for Indian homes, it sweeps, scrubs and mops the floor too. Fitted with a healthy spray mechanism, it saves water while also avoiding you the trouble of carrying a bucket.
Cleaning your house just became easier with the Prestige CleanHome Dynamo Steam Cleaner. Its powerful 1500 watt boiler gives you high pressured steam at 54 PSI on demand, making it easy to remove tough stains. As the device converts water into steam there is absolutely no involvement of chemicals. This highly pressured steam will keep your home free from bacteria, viruses and other germs.
Prestige CleanHome Vacuum Cleaner cum Floor Polisher is the professional way to achieve top quality finish for hard floors. This high powered machine cleans scrubs, and also polishes with twin contra-rotating discs spinning at 2,200 RPM. It comes with high performance scrubbing brushes and 2 pairs of reusable microfiber cleaning and polishing pads to keep your floors looking beautiful.
Make your home shine with the new Prestige CleanHome Typhoon Vacuum Cleaner. Its advanced vacuum technology makes the product light, durable and easy to use. Its high suction power meets all your cleaning needs. With multiple accessories, a 7 metre long cable and a mere 1.4 Kg lightweight body, the Typhoon can be used on floors, windows, furniture, tiles, grouting and kitchen.

COME HOME TO A BREATHE OF FRESH AIR

Fresh and clean air is essential for the well-being of your family. With harmful pollutant particles like dust, hair, gases, bacteria and viruses, the air inside your home is up to 10 times more polluted than outdoor air. CleanHome Air Purifier with advanced 5-stage filtration, cleans the air and reduces the spread of cold, flu and more, by eliminating airborne bacteria, viruses and germs. It also cleans the air at home, keeping it fresh and clean by eliminating odours such as cigarette smoke, dust and pet odours.

This air purifier is ideal for a room up to 385 sq ft in size. It features the revolutionary HEPA filtration, which inhibits the growth and spread of allergens more than 99 percent. With advanced filtration technology, intelligent control panel and aesthetic design, the Prestige Air Purifier is a must for your family.
